Name of Book: The Greek who Stole Christmas

Genre: Mystery

Nick Diamond is broke. His brother Tim Diamond is the worst private detective in the country when suddenly there is a knock on the door, a person called Harold asks them to protect a millionaire, Mirenia. They find out that there are several death threats. Mirenia husband asks Tim to protect her, but when she switches the lights on there are two gun shots. The Diamond Brothers have to find out who fired the shots.

Tim is one of the most important characters in the book as he has to find out who has sent Mirenia the death threats: Nick is the one who solves all the cases but the credit goes to Tim; Mirenia is a multi-millionaire who hates everything and wants Christmas to go.

Tim reminds me of Inspector Closeou. Both of them are bad at everything to do with solving the cases.

I loved the book. It was amazing because every time you read something, you just wanted to read more.
