Name of Book: Curse of the Cheese Pyramid

Genre adventure

The story is about a mouse who was going in a plane called D.C.A meaning Dirty Cheap Airlines. When he reached over there he found a partner to go inside the pyramid with him. It was a professor.

The main characters were Benjamin-Geronimo's favourite nephew, Thea-Geronimo's sister and finally Geronimo Stilton.

Benjamin reminds me of Vansh, my classmate; Thea reminds me of my sister; and I am like Geronimo Stilton.

I have read this book many times because I love this book and enjoyed reading it and I think you should also read this book.

Name of the Book: Save the White Whale

Genre: Adventure

The story was about Geronimo Stilton who went on a trip to seaside with his niece and some friends. He had expected it to be as clean as it was a few years ago. He went on a boat to see a white whale, but he was seasick! They were all excited to see the white whale [who also was a main character.

This amazingly good story reminded me of when I went for a family trip to see many animals. I am very into animals. I saw this book high up in a bookshelf and I immediately took it and started reading the back cover. I thought it was interesting and read it the first day I bought it.

The pirate cats went back in the past and were trying to steal the Mona Lisa. Geronimo, Thea, Trap and Benjamin also went back in time and tried to stop the pirate cats from stealing the Mona Lisa.

Name of Book: The Dragon Prophecy

Author: Geronimo Stilton

Genre: Adventure

The story is about Geronimo Stilton who cannot believe that he is in the kingdom of fantasy for the fourth time! The last of the dragon eggs has been stolen! And the people have a crazy feeling that he is the Twelfth Knight who will retrieve the stolen egg. Will he be able to find the egg? And how? The great firebreath III hates him.

The characters are Geronimo (who reminds me of my brother who is as clumsy as Geronimo), Bitsy and Scribble Hopper who go to retrieve the egg. Sterling is the king of silver dragons. And Firebreath is the one who hates Geronimo and steals the egg.

This book had me gripped till the end. It clearly shows all the events and it is fun filled. It is a good book for people who love jokes.
