

ECONOMICS ASSIGNMENT

Class 10 ABC

MARKS: 15

Instructions: Complete the given assignment either on a printout of this worksheet or note down the questions in the Economics home assignment notebook and write the answers.

Please bring the completed assignment to school on 8th July, 2009.

1. Refer to page 89 of the textbook. Complete the survey on consumer awareness with at least 10 people. On the basis of the findings of the survey, answer the following questions.

a) Do you think the people you surveyed are aware and well informed consumers. Why? (2 marks)

b) Suggest ways to increase consumer rights awareness in India. (3 marks)

2. We have discussed gross enrolment ratio, literacy rate, life expectancy etc as indicators of human development index. Log on to the site www.budgetindia.nic.in

a) Make a comparison of the various states of India with regard to indicators of human development index. (4 marks)

b) Which state would you like to live in and why?

(2 marks)

3. In the recent years there has been a considerable rise in the importance of the tertiary sector in India. The service sector e.g banks, IT services, insurance companies, hospitality industry etc has grown manifold. Yet there is large scale under-employment and disguised unemployment in India. How can more jobs be created in the tertiary sector?

(4 marks)
