

Vasant Valley School
Economics Assignment

Class 9ABC

Name:.....

Instructions:

Complete these assignments on ruled sheets and submit them on the 8th of July as these will be graded for this month.

1: Interact with a child attending a school run by the Central Government or the Government of Delhi and analyze how the facilities provided to them are different from those available in your school. Based on your interaction, write a brief synopsis in about 150 words.

Some of the points that can be highlighted are:

- ❖ Distance of their school from their house and how they travel to school everyday
- ❖ Infrastructure facilities available in their school like furniture, blackboards, facility of library, laboratories, computers, sports facilities, availability of electricity etc.
- ❖ The method of teaching adopted by their teachers.
- ❖ Co-curricular activities like dance, art and craft, music etc (discuss any 2 activities)
- ❖ Meals (if they are offered in school)

2: In its efforts to provide quality education in Government Schools, the Department of Education, has taken various innovative initiatives under its flagship programme “**Sarva Shiksha Abhiyan**”. Two of these programmes are : **BaLA (Building as Learning Aid) and Chalta Firta School (mobile learning school facility).**

Collect information on these two programmes and write a short note in about 100 words on each. It should highlight the main aspects of the programme and how these will affect the quality of education in India.
