

The Constitution of Class 4-B

We the children of class IVB

Will respect our teachers and will enter our class with full agility and focus.

We will be full of curiosity and will learn from our teachers.

With the help of our teachers' we will nurture our brains.

We will accept our teachers as our second parents in school time.

We the children of class IVB

Will respect each student in our class

Whether rich or poor, whether thin or fat, tall or short, weak or strong,

We will respect all diversity

Wherever they are from, they will be part of class IVB

We the children of class IVB

Will work as a team

Whether in sports games or group projects

We will help each other and will not blame and fight with our friends.

We will make our friendship stronger.

We the children of class IVB

Will focus on our education to make the world a better place

We will learn and focus on our subjects and excel to make class IVB the best!

We will learn different issues and techniques in each subject,

And we will submit our assignments on time.
