

Talk on Delhi - Class 3 with Ms. Shriti Tyagi 12th March, 2021

On Friday, 12th March 2021, Class 3 had a talk on Delhi which was conducted by Ms. Shriti Tyagi. We learnt a lot from the talk about Delhi, about its history, monuments, cities and rulers, the many kings who had conquered Delhi from time to time. She also spoke about the different monuments, who had built them and what was their historical significance. We learnt that the different dynasties which attacked Delhi were the Tomars, the Chauhans, the Tughlaqs, the Khiljis, and the Lodhis. This talk was very interesting and informative. The best part was the learning together. It was so well explained that we felt as if we were on an expedition to Delhi.
